

India: Fastest Growing Free Market Democracy

India Brand Equity Foundation (IBEF) organised an exhibition on **India: Fastest Growing Free Market Democracy** at the Yehudi Menuhin Hall, European Parliament as part of the Festival of India in Belgium, from October 9 – 13, 2006.

It provided a unique glimpse of the ***world's fastest growing free market democracy*** and the factors that propel a billion people on an upward swing. Powered by vision, driven by passion and a remarkable desire to excel in all fields of endeavour; India is not just a nation on the move, but a one of a kind ***Kaleidoscope of Brilliance and Opportunity***.

The exhibition showcased India's achievements and strengths across sectors, traditional as well as knowledge-led, the focus being on skill, entrepreneurial drive and leadership being provided by India's young population.
